REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gallman Elementary continues "Leaping into Learning" as we complete the fourth year in our new school. The staff, parents, and community continue to work together to provide quality educational opportunities for all our students. Students have thrived in our warm, caring environment and have reached out to others through activities supported by the school, such as Adopt-A-Family, Pennies for Patients, Jump Rope for Heart, Math-a-thon, and our extensive recycling programs. Student support and donations continue to surpass our expectations. This reinforces our spirit of giving and caring for others.

As we began the 2007-08 school year, our School Leadership Team met to analyze all current data and surveys on our students and our school. The analysis of this data, which was shared with our SIC, teachers, and parents, was very encouraging as we continued to show school-wide improvement across most subject areas. We were recognized by the Education Oversight Committee (EOC) for our effort to close the Achievement Gap among students of differing economic, racial, and ethnic groups.

Gallman teachers have been offered many opportunities to expand their knowledge and expertise through attendance at workshops, working with site-based consultants, taking technology training, and by pursuing advanced degrees. Approximately 7% of our teachers are working on advanced degrees. One of our teachers, Peggy Wilson, was named Teacher of the Year for the District of Newberry County for 2008.

Several school-wide programs and activities have been implemented to promote achievement and encourage students to exemplify good habits, such as an Awards/Celebration Day held each nine weeks and Brag Tags that are sent home to parents to recognize positive accomplishments. Many parenting events were held, such as lunch with grandparents, Hispanic Parent workshop, and Family Science night. Our PTO organization continues to provide outstanding assistance and incentives to the students, teachers, and the school. Through their fundraising efforts this year, we now have a beautiful stage curtain.

Additional highlights of our year include a 21st Century After-School program; the purchasing of more SmartBoards, Senteo systems, and document cameras with Title One funds; Newberry County Memorial Hospital Healthy Hearts grant; the awarding of first place in the EdVenture Hallowonka Candy Sculpture statewide contest; and the selection of a fourth-grade student's drawing in the Safe Kids Calendar. We have had a winner in this contest for three consecutive years.

Learning with high expectations in a safe, nurturing environment with the support of families and the community continues to be our focus at Gallman Elementary School.
